THRIFTY Confirmation #	FSSJPM

Agreement Terms

A valid driver's license and a major credit/debit card in the renter's own name must be presented at time of pick-up. Minimum age is 21. You must have your local country license. International license alone does not qualify.

Debit cards are NOT accepted from same City/Island Renters or 21-24 ages and for 12-15 pass vans.

Debit Cards accepted only for ages 25 and over and you must have a return plane/cruise ticket.

A hold will be placed on all debit/credit cards for the estimated amount of the rental plus 15% or a minimum of \$350, whichever is greater.

Debit cards must have either the Visa or MasterCard logo on them and are subject to a credit check.

Young Drivers (21-24) are subject to the reduced \$10 day surcharge, normally \$27.

2 free extra drivers included here, otherwise \$12 day each and they must appear at the counter with the primary driver.

No off road driving is permitted.

If you return to a location not indicated on your confirmation additional charges will apply.
You may cancel this reservation at any time without penalty. Note: Making changes may alter the rate.

ESTIMATED or **APPROXIMATELY** are used in case the local taxes change prior to your rental date. The base rate is fixed for your vehicle, dates and times selected. However, the car rental company will try to sell you options like insurance or prepaid fuel. Insurance is optional at the counter so check and see if you are covered before your arrival. Personally, I would not take the prepaid fuel option as it is difficult to try to bring the car back anywhere near empty. You can just decline and return the car on full.

If you have any problems at all, or are not satisfied with the car or the service you receive at the rental car agency, please contact us within 24 hours after pick up so we can help rectify the situation to your satisfaction.

Mahalo nui loa,
Thank you very much,
